Freshmen tryout for cheerleading

A W O R D

The activities of J. H. S. have kept our students quite busy. Club members have worked hard and were eager to outdo each other when putting on assemblies.

Our speech and dramatic department displayed some of our talent to the public with Forensic, variety shows, and plays, while the band and chorus equally showed off with various festivals and concerts.

We'll never forget the pep rallys we had and how loud we cheered because our football team was one of the best. The season went quickly and basketball, wrestling, track, and golf came.

The year had gone fast with Wednesday afternoon Religious Education, noon dances, and the many other activities we all crammed into our heads as memories of one year never to be forgotten.

1955 SENIORS

This is the story of the Senior Class of 1955. It tells of the hard and good times we all shared together, which we shall remember of a life time. These walls of JHS has watched us from the prime of our teens to the near end of them, now made ready and prepared to take on the responsibilities we all must share.

The beginning of this story was September, 1951, when we as frightened freshman first opened the doors of JHS. Thrilled with the assemblies, we were even more thrilled with our first class party. We were all shy of each other but with Mr. Shaul as our class advisor, and Cliff Miller, our class president, it was a

sure success. The rest off the year went fast and at last picnic day and our first year of high school was ended.

In the fall of '52 we all came back sure of ourselves for now we were Sophomores. Many of us immediately showed ourselves on the football team, majorette, and cheerleading squads, while later in the year the rest of us excelled in basketball, wrestling, and track. Wrapped up in so many activities time went fast and the Sophomore party was soon here. We talked for weeks after about the pantomime that Gerry Brown and Tess Plaitano did. The year proved one of our

The Senior Story of '55 Now Complete

best with Bob Malloy as our president, Cliff Miller, Vice President, Tess Plaitano Secretary and Virginia Miller, Treasurer. Then came the Senior assembly which we all longly waited for because now we became Juniors, only referred to as upperclassmen.

In 1953, we Juniors looked forward to what was to be our most exciting year. Our Junior party came quickly and no one shall ever forget the spell Claudine Gantt cast on us as she sang. At last our party ended as all good things must, and next we put our thoughts on the Christmas formal. The majority of us attended and we'll always remember what a wonderful time we had. Soon Spring came and the Prom was being discussed everywhere. We'll never forget what a perfect night it was and most of all how proud we were that it was our class president, Tess Plaitano, who

led the grand march. The end of school came and we all wished we could be Juniors again, but now we were Seniors and on the last road of our four year journey.

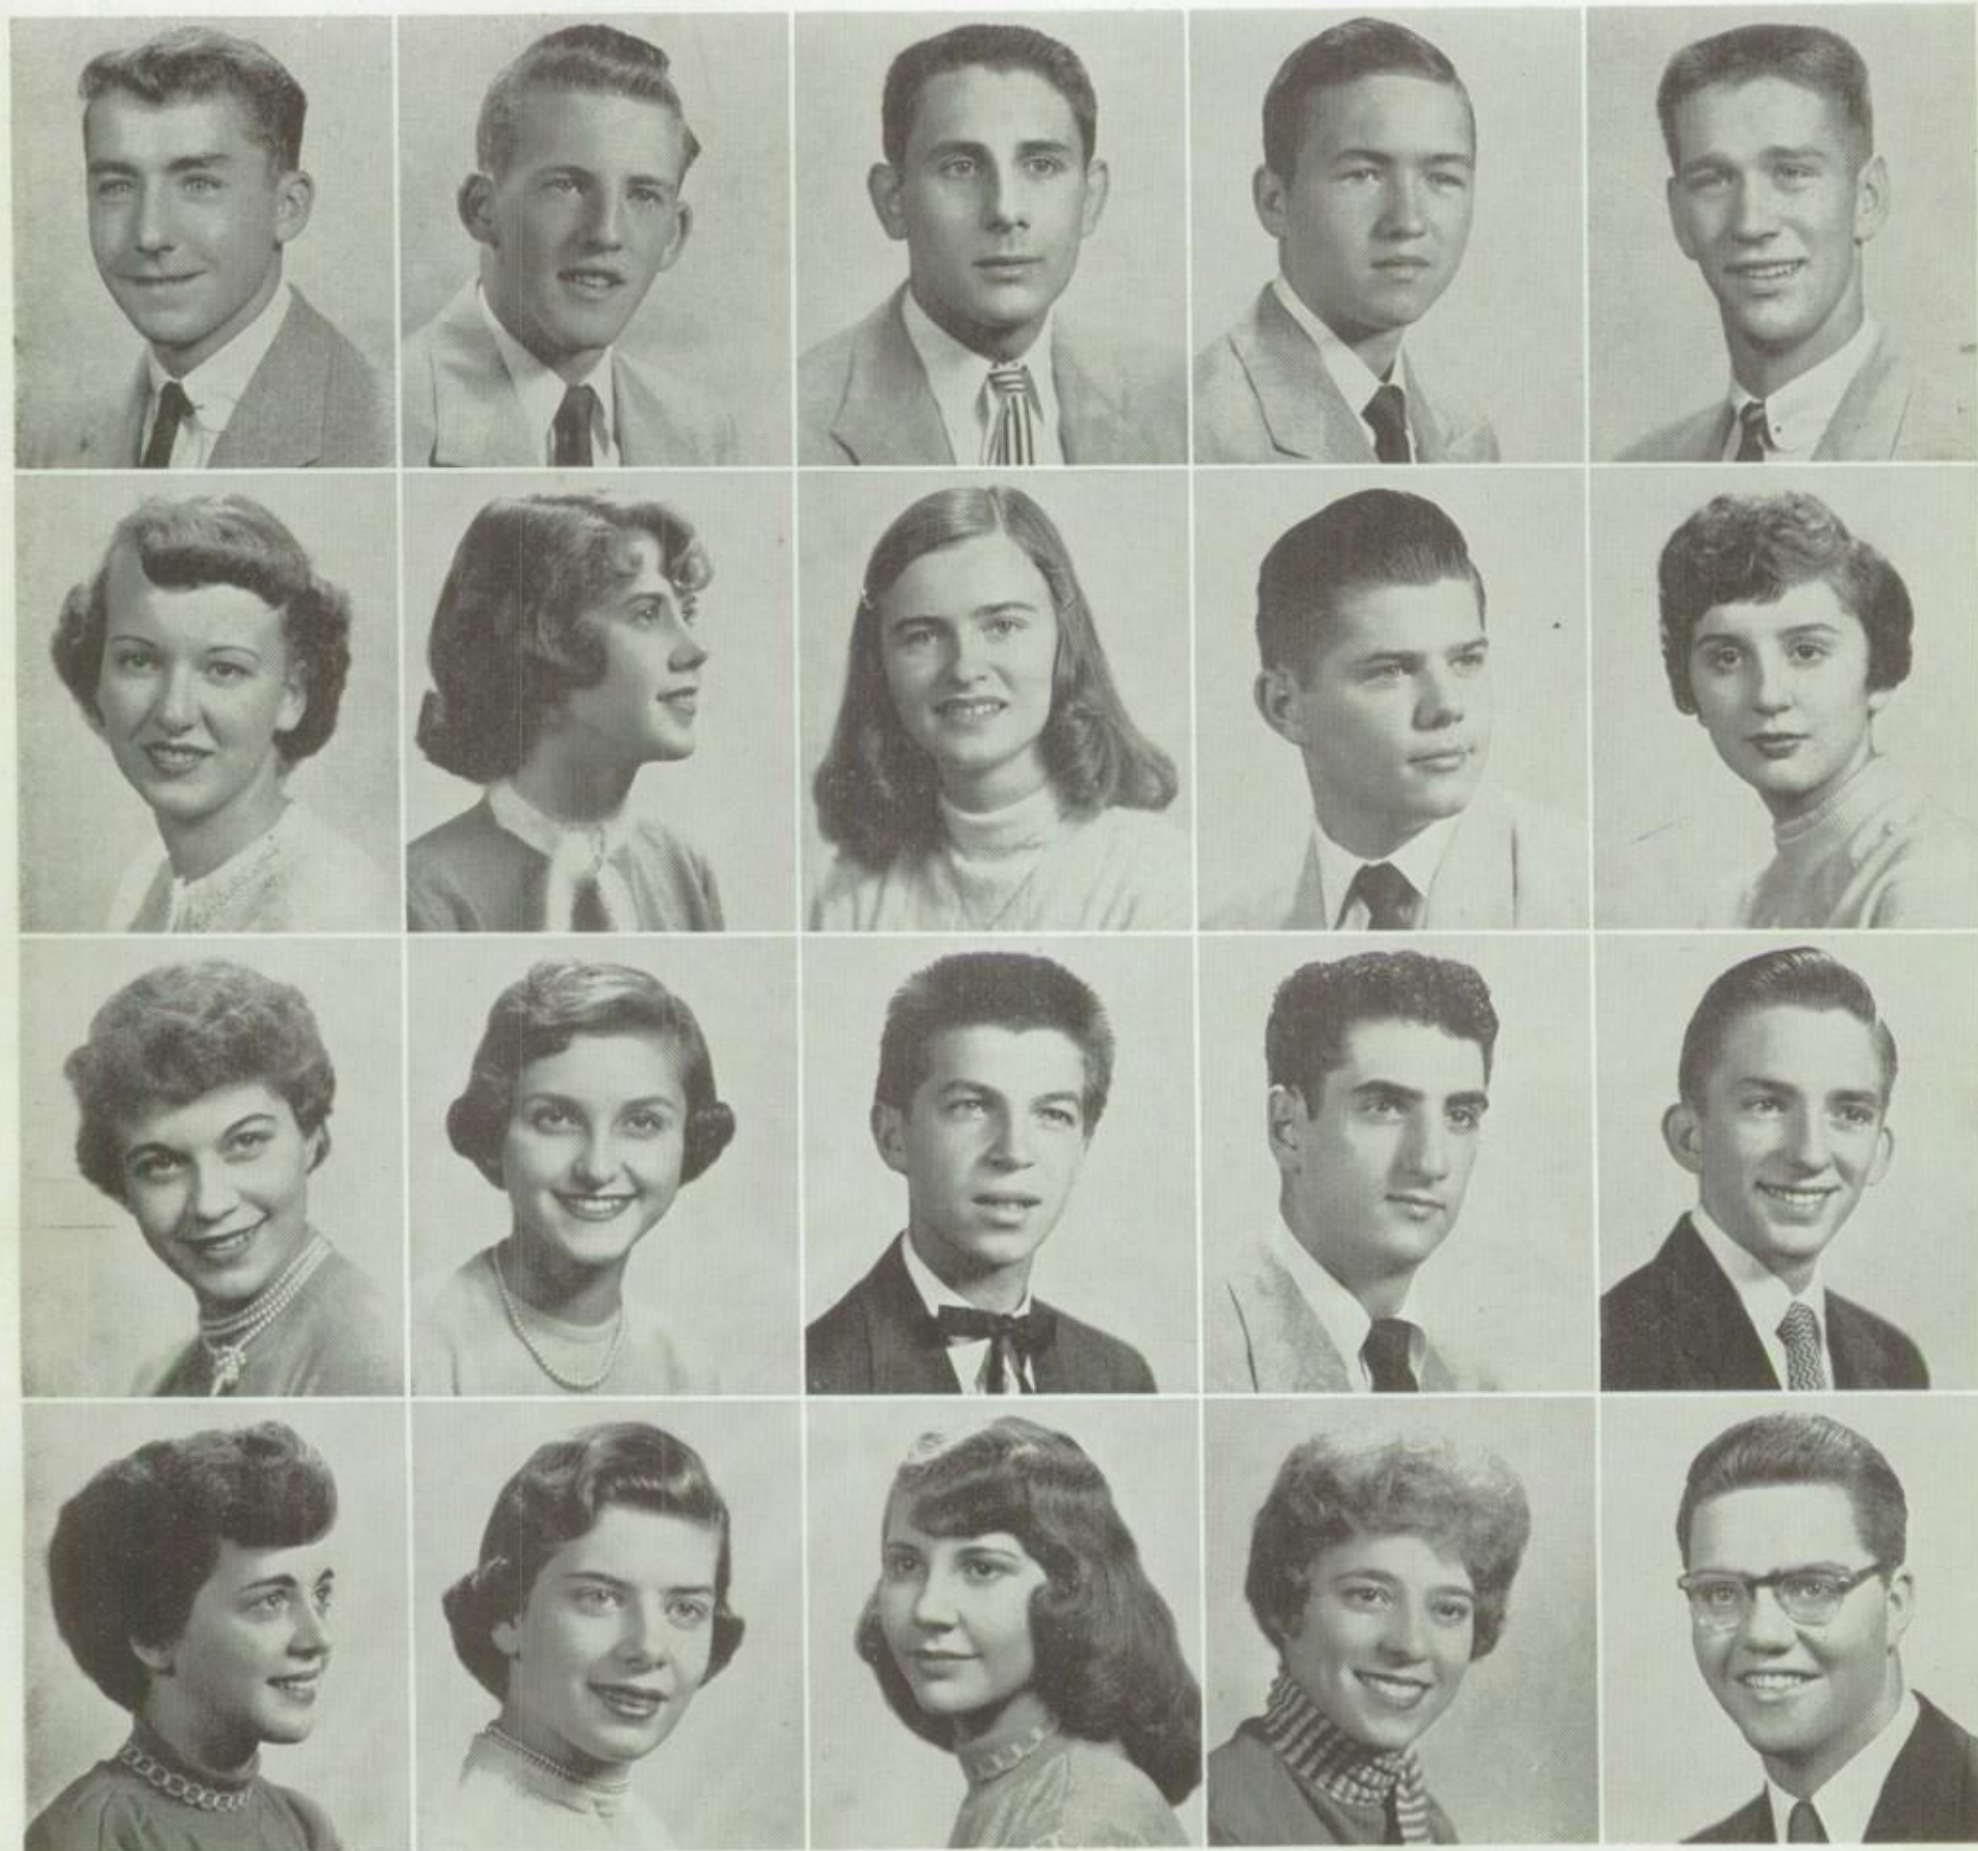

Our Senior year seemed the greatest of them all. The football team was one of the best and after the season was over we cheered just as hard for basketball and wrestling. Our Senior party seemed to come and go in no time. Included in our activities for the first time were elections and campaigns in preparation for Youth Day. The Christmas formal was the largest one we ever had and our first all night prom was such a huge success it'll never be forgotten. As last Commencement Day came and we sang our Alma Mater for the last time together and each of us separated on our way. But we shall always remember the friends we've made and the good times we had in JHS.

JUNIORS

Proud of Becoming Upperclassmen

The sturdy junior class has come rapidly through the previous three high school years and now stands at the threshold of their senior year. Looking back to the time when we as "green freshies" never knew quite when to go and what to do. The outstanding event was the freshman party even though the boys stood on one side the girls on the other.

After what seemed a short vacation we became sophomores. Feeling quite grown-up we took the new freshies under our wings for protection. This year "yellow slips" made their first appearance. Came senior assembly and we took our place as juniors. We

all liked going to the assemblies with the seniors but deep inside we resented having to stay seated until they walked out. One of the unforgettable days was the receiving of our class rings which was the real mark of being an upperclassman.

We shall never forget our junior party and the humorous entertainment. After a wonderful evening, we trudged happily homeward. The months flew and March saw us anticipating the junior-senior prom. Murmurs of corsages and frothy new formals were on every tongue. The dance was a success and the juniors had really come through. The year was not entirely

Year a Memorable One

a social one for behind the surface were the textile tests, book reports and study. We were introduced to the mysteries of chemistry and math and some of us seemed to like to spend our spare evenings in the detention hall. In spite of the usual school problems causing many of us to be discouraged, we never forgot for a moment that we were upperclassmen.

Education at present was an outstanding section of our lives. In the future, our school days would be remembered as our best days. We, the junior class are unable to see into the future, but we are thoroughly aware that within our grasp is the security of a peaceful world. And now as we move up into our last year we hope to make our senior year the best of them all.

September brought us back to the familiar halls of J. H. S., excited and happy as we assumed our new roles as sophomores. It was a strange but wonderful feeling to know we were no longer the green freshmen of Jeannette High School. We smiled at the eager new students who fell into rank as the freshies. It was fun to watch them cautiously file into the auditorium for the first assembly. How proud we were to be the experienced Sophomores with the honor of sitting in the middle section. We threw back our heads and

shouted out the cheers as additional proof that we were really an important part of Jeannette High.

We joined clubs, marched with the band, struggled through Latin II, and became alumni of detention hall. Some of us stepped forward and showed the school that the future class of "57" was really "tops." We'll never forget the first football game and how thrilled we were to see so many of our classmates as cheerleaders, majorettes, and players.

SOPHOMORES

Have Proudly Reached the Halfway Mark!

SOPHOMORES

Hope to Accomplish

December 17 arrived and we all flocked down to the gym for the "Holiday Hop." Girls in high heels, and rustling skirts and boys in shiny black shoes and white shirts enjoyed every minute of our festive party.

Christmas rolled by and soon we started a new year. We worked harder than ever to keep up with our increasing activities. We moaned and protested but we finally handed in that 15 page History Report on the last day, and struggled through a non-fiction book report.

Spring came and we were so excited as we looked forward to the prom, picnic, and Senior Assembly. At last that day came. We were upperclassmen! It was a wonderful feeling to know we were now "big wheels", but it made us sad to think our high school career was half over. This year has meant so much to us. Our friends and good times can never be duplicated. As we prepare for the future and strive for success, we will always hold a special place deep down inside for the memories of our Sophomore year in Jeannette High School.

their first year as Frosh

Presenting the "grades" of '58. The green freshies have embraced our Alma Mater as their own and are prepared to stick by her come what may.

Eager to become a part of this seemingly enormous metropolis of J. H. S., they gave their wholehearted support to all athletic exhibitions, electioneering and even the onlooking upperclassmen.

After petitions and campaigns Joe Yorio was elected president of the class. Betty Leonard assumed the title of veep while Janet Octave served in the capacity of secretary and Nancy Jadot protected the bank roll. It wasn't long before these energetic frosh got into the swing of things and invaded the many clubs of Jean-

nette High. The whole student body could see the pride with which that one line in assembly was recited. The gym looked extra-special clad in the class colors orchid and white, when they arrived at the Freshman Party. Mr. Shaul, the class advisor, was on hand to oversee the festivities of the evening. Not a freshie will forget that milestone in his freshman year, when after faithfully attended Monday classes, he stepped on the floor to try those new dance steps.

The day when they were dubbed sophomores had been patiently awaited by the freshmen. Even with the excitement it was unanimously decided that this year hadn't been as bad and was a very memorable one.

Majorettes provide a pleasing picture

J. H. S. BAND

Strike up the band! How proud we were of our boys and girls in red and blue as they marched briskly down the football field! How we anticipated their approach and listened for the first boom and rat-a-tat-tat of the drum before game time.

Striking is the word for our strutting majorettes who under their captain and co-captain Joyce Stark and Virginia Miller, were the object of much praise and approval this year for their part in unique half-time shows, and for their precise marching in parades.

Then too, let's not forget Bill Berlin, our drum major, for his baton twirling. And what an impression the four color guards made as they proudly bore our flag, marching ahead of the band. As for the band itself, no adjectives can fitly describe the exact harmony of the blaring brasses, the tinkling of the bells, the clarity

Their Talent in Entertainment

of the wood-winds, the rolling of the drums. We never could figure just how our "pride and joy" managed to keep such perfect time, play so outstandingly, and put on such difficult and extraordinary shows at half time.

After football season and fall parades, concert time brought more work to these aspiring musicians. But when they exhibited the 200 production of their labors to students and townspeople alike, in a beautiful and varied concert, we marveled at their professional performance.

Knowing that all work and no play makes for dull band members, these J. H. S. musicians put to shame band banquets of other years and really "lived it up" at this year's. But these activities didn't climax the year's doings. With sudden maturity and sadness, senior members put aside their gay uniforms and donned their caps and gowns to play and march in the school picnic parade with the underclassmen.

No, the class of '55 will not soon forget the band who so often stirred up their enthusiasm under the brilliant and capable guidance of Director John M. Lodzsun.

YEARBOOK STAFF

Well, we thought we couldn't, but we did! "Did what?" you ask. Published another Jayhawk and carried on a long tradition! With sudden maturity we seniors became serious minded as we accepted our assignments from our diligent editor Janet Bohince with eagerness and responsibility. John Love presented the sports and Janice Zellers and Barbara Dolan assumed the role of the "keepers of the purse", while Mr. Patterson was ever ready to advise and regulate staff members who went about their duties of linking up pictures and trying to cram all of the big moments and memories of this year into a hundred pages. To the senior class of JHS, to all four classes of our alma mater and most of all to our Jeannette High School we dedicate this annual of 1955.

YEARBOOK COLLECTORS

"Did you make your payment on your yearbook yet?" Patient yearbook collectors may have to ask this question in their respective homerooms a hundred times a day when the regular payment time rolls around. This responsible group regards its duty of taking orders and collecting quite seriously, and without their contribution our Jayhawk could not exist.

OSCAR STAFF

Presenting the industrious and creative crew of the Oscar staff! Under the direction of Editor-in-chief Linda Kohl, assisted by Assistant Editor Janet Bohince, News Editor Mary Ann Hart, Feature Editor Lois Burk, Sports Editor Chester Smolenski, Exchange Editor Anna Stanley, Club Editor Donna Fisher, Chief Typist Antoinette Cannell and Advertising and Business Manager Margie Fisher, leads on stories were discovered and assignments went to the staff to make ready for the tri weekly distribution. But the Oscar for which the students wait so anxiously could not have been published were it not for those on the staff who work equally hard but receive no recognition for their services and for the sponsor Mr. Stinebiser, whose time, ideas, and aid make the Oscar, the literary achievement it is.

OSCAR COLLECTORS

Tracking down stories and writing them up may be an important aspect of some newspaper work, but where the J. H. S. Oscar is concerned, the Oscar Collectors are the necessary elements. These able students give sales talks in homerooms, collect money, hand it in at a specific time, and finally distribute this high school publication to its subscribers.

Always Time for a Jazz Session

QUIZ CLUB

"For Freshmen only" says Miss Duncan sponsor of the Quiz Club. Meetings consist of a question and answer session and the person answering the most questions right is crowned "Quiz Kid" of the month. Later a Quiz Kid for the year is chosen. The club also plans a noon dance, Christmas party, and a final spring affair.

MUSIC CLUB

A talented club is the Music Club. Ably sponsored by Mr. Lodzsun this club is composed of some of the best musicians in the school. They can always be counted on to put on a good program anytime. Meeting on Thursday this club is kept quite busy planning their many activities. To be a member all that is necessary is a genuine liking for music and a desire to raise one's own standards.

FORENSIC

The Forensic League is an exceptional extra-curricular club. Headed by Miss Davis, these people attend Student Congresses and Speech Tournaments. The members also give readings outside their club. All meetings are held after school as no school time is allotted to them. They hold a noon dance and an assembly which is always enjoyed by everyone.

HUNTING AND FISHING CLUB

Mr. Amann's Hunting and Fishing Club is made up of outdoorminded boys. They are given the opportunity to learn everything about sports and good sportsmanship. Sports talks and demonstrations are a highlight at these club meetings. Of course, they enjoy missing school to try their luck in their preferred sport.

Travel Club enjoys a Guest Speaker

BETA - HI - Y

"Clean sports, clear speech, clean habits, and clean scholarships" is the motto of the Beta-Hi-Y. Under the capable guidance of Mr. Patterson, the Beta boys have accomplished much. Each year a few of the boys attend the Hi-Y conference. Several meetings consisted of teen-age forum discussions in which all members participated.

ALPHA HI Y

The Alpha Hi Y is affiliated with a national organization. Its purpose is "To create, maintain, and extend throughout the school and community high standards of Christian Character." Mr. Basom, the advisor, helps make this motto a reality by his program of activities. Guest speakers help the boys realize their duties as citizens.

BETA TRI HI Y

The Beta Assembly is always an outstanding event of the year. Their other activities include several noon dances and a yearly trip to the orphan's home. Led by Tess Plaitano, these girls have enjoyed interesting club periods which include outside speakers and programs put on by the girls themselves. Miss Potts has certainly helped these girls maintain their high standards of Christian Character.

ALPHA TRI HI Y

"To create, maintain, and extend throughout the school and community, high standards of Christian Character" is the motto of the club. Under the capable guidance of Mrs. Williams, this club really lives up to their beliefs. Every year they have a party for the orphans at the Greensburg Children's Home. Truly an outstanding club, which will always be remembered.

CLUBS

Phil and Linda amuse the Speech Class

CLASSICAL CLUB

Interested in Latin and its early history, this club is trying to bring about a better understanding of the subject. Miss Fontanella's club attends various Latin festivals learning about the costumes and customs of early Romans. They spend many hours reading stories and plays in Latin. When Latin Week rolls around each year the members of the club leave J. H. S. for a day at Buhl Planetarium.

TRAVEL CLUB

For anyone who enjoys traveling or for those who have never been outside of Jeannette, this active group is a must. Activities this year included an assembly and a New Year's dance. Under their sponsor, Mr. Robino, members attended a play at the Nixon, a hockey game, and the Ice Capades. Their planned programs for meetings include movies or lectures.

GREX CLUB

"Gee, I have butterflies!", "Is my make-up on all right?" These are some expressions that can be heard backstage at any of the Grex productions. This talented group is kept going with its full agenda. Under the supervision of Miss Davis, Grex members receive training in many phases of the theater. Plays put on this year were "Slight Case of Murder" and "Our Town".

MIDGET PLAYERS

This club, under Miss Davis, is one of those exclusively for freshmen, and may be called the baby sister to the Grex Club. Members learn the fundamentals in dramatics and also get a chance to participate in plays. They have an annual picnic at Mt. Odin for the Grex members and join in many other activities with them.

The Square Dance Club in session

STUDENT COUNCIL

If you have any complaints about how things are run in JHS, these are the persons to see about them. This group consists of one representative from every home room so as to give everyone an equal say-so in our governing. They sponsor all our all-school dances and an annual magazine campaign, under the capable leadership of Mr. Butler and President Wayne Mock.

FRIDAY SQUARE DANCE

"Grab your partner! Swing'er round!" anyone passing the stage on club day can hear Mr. Albright, sponsor of the square dance club, calling figures. These lads and lasses are really pro's by the time the year is over, and they have loads of fun learning. They also acquire a lot of poise and self-confidence that is essential on the dance floor.

PRIESTLY SCIENCE

If it sounds like an atom bomb is being dropped on the high school some club day, don't be alarmed, it is just these scientific minded people working on some new experiment under the supervision of Mr. D'Amato. They usually see movies or hear lectures on some phase of the scientific field during club meetings.

REMBRANDT CLUB

Always ready to render its service to the schools and the community is this talented group. Examples of its outside activities for this past year were Christmas decorations they painted at the Elliots and place cards they made for clubs. Under the very capable guidance of Mrs. Fry, they also included on their agenda the painting of scenery for high school plays.

POWDER PUFF CLUB

Beware, Girls of JHS, for those Powder Puff gals are really there. These freshies know all the rules of good grooming. Their advisor, Miss Podvia instructs them on hair styles, poise, good posture, care of the skin, etc. They practice applying make-up to each other and at meeting movies on various phases of good grooming are shown.

FRENCH CLUB

Parlez-vous francaise? If you can answer "Oui" to this question, you should be a member of the French Club. This club, open to Juniors and Seniors taking French, provides an extra-curriculum opportunity to practice conversational French. Under the capable sponsorship of Mr. Stinebiser meetings, programs and entertainment are devoted to an increased interest and knowledge of French.

ETTE KETTE CLUB

Meet Emily Post's prodiges. These girls can help you out with anything you want to know about etiquette. Under the popular advisor, Miss Hansen, they always put on a successful assembly. These gals have also held special dancing classes for the Freshmen, where they tried their best to teach them to "trip the light fantastic."

COSMOTOLOGY

This new club, under the capable sponsorship of Miss Povia, is designed to teach the girls something about the specialities in the field of beauty culture. It is open to Junior and Senior girls who take beauty culture. Selling perfumed ball point pens with jeweled tops was their project this year.

Basketball practice in Gym Club

BOY'S GYM

This club under the supervision of Mr. Churchman is designed to teach boys the fundamental rules of most sports, so that they will be able to organize, referee, supervise games, and be trained to be gym monitors. Any sophomore, junior, or senior boy is eligible to belong.

GIRLS CRAFT CLUB

Do you enjoy making things with your hands? If you do, the Girls Craft Club should be included among your activities. The girls of this club become adept in creating practical novelties, and they secure a useful knowledge of the materials from which these items are made. Together with their efficient sponsor, Mr. Black, the girls take justifiable pride in their work.

HOME EC CLUB

Here is the club which produces our future model homemakers. Under the capable direction of Mrs. Brown, these girls are trained in various phases of home-economics. They obtain the valuable experience in cooking, sewing, and general housekeeping which is so essential to a good homemaker. Believing that the way to a man's heart is through his stomach the girls concentrate on preparing many delicious foods.

GIRLS SPORTS CLUB

This club is composed of the athletic gals of J. H. S. These energetic lasses who love excitement, find very much of it included in their agenda of various types of indoor sports. Under the direction of their likable sponsor, Miss Wagner, this club has done a commendable job of providing an intramural sports program for the girls of J. H. S.

FUTURE TEACHERS OF AMERICA

Here are the ambitious students of J. H. S. who intend to devote their efforts toward improving mankind in the noble profession of teaching. Under the capable and efficient guidance of Mr. Polk, these students learn the qualities expected of a good teacher, and are acquainted with the advantages and problems of the teaching profession. The activities of this organization provide opportunities for anyone interested in teaching.

PHOTOGRAPHY

The Photography Club under the guidance of Mr. Gilkey learns to take and develop their own pictures. They are taught the rules for good picture composition; such as group pictures, scenes, and portrait pictures. The Club usually take a field trip to some picturesque place to put into use the rules they have learned.

COMMERCIAL CLUB

Are you a good typist? Do you like secretarial work? If your answers are "yes", you should belong to the Commercial Club. With Mr. Riehl as their advisor the members, who are all enrolled in the Commercial course, try to reach their goal of speed and accuracy. They usually present an assembly every year.

CHEF

The boys of this club learn how to prepare delicious meals and to know proper table etiquette at their meetings. Under their capable and efficient sponsor, Mrs. Brown, they always have enjoyable times in experimenting with food and naturally eating. Any boy from any class is eligible for membership.

GIRLS GYM MONITORS

The whole female population of the high school has these gals heads spinning. Conforming with the new regulations, they cope with not only the underclassmen but upperclassmen as well. These girls aid Miss Wagner with exercises, roll check, shower numbers and games. They are very much deserving of the applause of their fellow students.

CERAMICS

The ambitious members of this club learn many fascinating arts, which they won't easily forget. Novelty items for personal and home use are made by the members. Under the guidance of Miss Patch, teacher, the girls mold the articles by hand and bake it in a special oven called a kiln. It is then glazed and smoothed, and displayed at club meeting for the approval of the members.

MICROMETER

Mr. Lang, the capable advisor of the Micrometer Club supervises the boys as they learn the use and value of machinery, not only in factories but also in their school and community. Their main project this year is the spinning of aluminum. For this they read books and learn as much as possible before starting.

BOY'S GYM MONITORS

Under the capable guidance of Mr. Churchman these boys are selected to assist him in various activities of the gym classes. They help referee sports as well as participate in them. These boys are proven to be well liked and excellent leaders among their classmates.

SAFETY PATROL

These boys guard the safety of the students crossing the street between classes from the high school building to the Fourth Street building. They set up the wooden horses at both ends of the block so no cars can come through. They are also on duty at the start and finish, of each school day and at noon.

LIBRARY MONITORS

Binding books and keeping them in good shape, filing students' library cards, making the book showcase attractive. These are only a few of the duties of our pleasant library monitors, under the guidance of Miss McMaster. In addition these misses can help students find out any necessary information, thereby gaining valuable experience for themselves.

THURSDAY SQUARE DANCE CLUB

"Swing your partner and doesy-doe!" Under the patronage of Mr. Albright, this group, a favorite of the underclassmen, combines enjoyment, companionship, good co-operation, and learning intricate-looking but easy steps at their monthly meeting. For this fun-loving group there's nothing like square dancing to make everyone get into the act, and to liven a dull day.

LIBRARY CLUB

Literature in general is of much interest to these Library Club members. Under the able guidance of its sponsor Miss McMaster, the club strives to help students enjoy and select their reading matter. The annual book week contest boasts their support. A few of these misses offer a helping hand as library monitors.

Going to Torrance is the big project for the Future Girls in White, this year. Under the supervision of Miss Sheerer, these girls learn something of the different fields of nursing. Some of the members of this club work as volunteers at Westmoreland Hospital after school to gain some practical experience. At their meetings, they also have reports on such things as the polio vaccine.

FIRST AID AND SAFETY CLUB

Is there a doctor in the house? No, but any First Aid Club member can answer this call of distress. Although the club members may not be doctors, they are equipped to handle almost any situation which may arise in J. H. S. The action to take in different emergencies is taught to them by their capable leader Mr. Stinebiser. Baskets for needy families are given away annually by this club.

ORCHESTRA

"Drifting and Dreaming" can always be said for many students during seventh period who listen to the mellow strings of music coming from the sessions of the JHS Orchestra. Made up of our most talented Classmates they can be counted on for anything from classics to real lively jazz. Under the energetic supervision of Mr. Lodzsun, everyone looks with anticipation for the community sings which really provide enjoyable assemblies. For Christmas the orchestra joins with the chorus and dramatic departments for the annual Christmas Pageant. Some of these musicians are selected to participate in the District County Orchestra Festival. When they play for the noon dances a large turn-out can be counted on. Their last sessions together for the year are for the Baccalaureate and Commencement exercises.

CHORUS

For the inspiring music and harmony in many of our assemblies we give thanks to the Jeannette High Chorus. Under the capable direction of Mr. Lodzsun they put on their annual assembly and Christmas pageant. They can be heard practicing wholeheartedly each day during the fifth period with their voices each blending in perfect harmony. This hard-working group is bubbling over with talent which can be heard through its inspiring entertainment. Anyone from a freshmen boy or girl to a senior is eligible to join. These members are not only trained but develop their vocal chords by practicing for their many programs all year long. Their last programs of the year are Baccalaureate and Commencement. It will be here that the senior chorus members will bid adieu to the chorus they so respected.

VARSITY FOOTBALL

Each year, during the last few weeks of August, the football team invades Camp Buffalo to prepare for the coming gridiron contests. Along with the coaches, they take over the camp when the last vacationing boys and girls have gone. Until school reopens they build their bodies up to carry them through a rugged season of sports. Calisthenics, good food, and sunlight along with the regular football drills fill the schedule. The regular hours and habits they keep in training camp contribute greatly toward preparing themselves to defend their school. Coaches Barnes, Baughman, and Amann constantly try to teach new tactics and new

plays. Then on the first Friday after school reopens, they begin their season of football fame.

In the opening game of the season Jeannette defeated Crafton by a score of 33-6 at McKee Stadium. Scoring was distributed fairly evenly by the Jayhawk team with Schnupp, Gustafson, Gounder, and Valesky each tallying once. The next opponent for the Jays was Schenley, which proved to be no match for the rugged team, with the game ending 25-0.

The Jays met Turtle Creek in their first AA contest. The score was 34-6 with Jeannette scoring in every period with Gounder adding to the game in kicking a field goal.

OUR HEROES

We Are Proud of Their Past Seasons

The next win for Jeannette came at the expense of the Cokers from Connellsville. The Cokers however, got away to a fast start and scored on the second play from scrimmage. Jeannette came right back and scored and then went on to outclass Connellsville 38-6. The following two games were taken from Latrobe and North Huntingdon by scores of 33-0 and 30-6 respectively.

The night of October 22 proved to be the toughest of all the games when the Jays got past the Munhall eleven by a score of 14-7. The Jays got off to a quick two touchdown start and this was sufficient enough to let the Jays win there seventh straight game.

The next week also proved to be a rough one with Jeannette beating Wilkinsburg by a thin score of 7-0. For the ninth and final win of the Jayhawk season came when Jeannette beat McKeesport by the score of 14-7. This was a hard fought game and wasn't over until the final gun went off.

The Jayhawks lost their first game of the season against the bitter but high spirited rival, Greensburg by a score of 28-24. Our boys fought a rugged and tough game to the very end with the main loss in the four extra points. The 1955 Jayhawks can be proud of one of the best gridiron records in JHS, nine wins and one loss.

JUNIOR VARSITY

This year's Junior Varsity under the capable coaching of Mr. Baughman showed good signs for a future varsity. These boys work as hard as the Varsity but never receive much attention from the student body. The gridgers had little trouble winning the first game from Sewickley by a score of 18-0. The remainder of the games that were played were of a little more difficult type. They squeezed past Latrobe by a score of 7-0, Kiski 12-0, and for their climax tied Greensburg 7-7. Their season ended with an impressive record of 3 wins and 1 tie.

JUNIOR W.P.I.A.L.

The Junior W.P.I.A.L. under the efficient coaching of Mr. Moss ended the season with 2 wins, 3 losses and 2 ties. They started their season by tying South Huntingdon 0-0. The next game they beat Sewickley by a score of 6-0 and the following week tied Latrobe 0-0. In the remaining four games Jeannette tallied over North Huntingdon 25-7 and lost to Munhall 13-0, Latrobe 19-6 and Greensburg 7-0.

CHEER LEADERS

Always Faithfully Cheered the Team On

CHEERLEADERS

"Yea team, let's go!" Who can be always heard yelling this familiar saying more oftener and faithfully than our vivacious cheerleaders. During football season they head all the pep rallies with their wonderful pep and energy. These gals and boys can always be seen on the football field wholeheartedly cheering our boys on even though it may be raining or snowing. They greet cheerleaders from other schools in their ever friendly manner and mingle among them in good sportsmanship.

But it's not all glory and honor being a cheerleader. They start practice early in August and after school starts can be found each Wednesday after school practicing new motions and cheers. It is after all their hard work they become so disappointed when students won't cheer.

Cheering for the last time this year were three seniors, two year members Barbara Dolan and Janet Bohince and three year member Dick McCarthy.

VARSITY BASKETBALL

The Jayhawks ended one of their few unsuccessful seasons this year in a three way tie for last place.

The pre season games gave no room for encouragement even though the Jays won the first game against Penn Township by a score of 63-35. Following this encounter Penn High and Schenley victored consecutively over them. On the next showing they beat Wilmerding by a score of 70-62. Then Scott and Turtle Creek handed Jeannette their next two conquests but the Jays came back to defeat Sewickley Township by a score of 63-50. They then skimmed over Swissville by a score of 56-53 and for the third time in a row won over Scott 76-66.

The exhibition season ended with a 5-4 record and the Jays were still a heavy favorite in the race for the Section II Championship.

In their opening games of section competition the Jayhawks fell victim to Latrobe and N. Huntingdon 69-41 and 46-44. The Jays then traveled to Connellsville where they sprang ahead in the second half to drub

the Cokers 65-47 for their first win of the season. In a non section game the Jays took the worst beating of the year at Springdale by a score of 98-75. The next four section games proved defeat for the Jays. They were beaten by Uniontown 83-73, Greensburg 82-49, Latrobe 68-59, and N. Huntingdon 65-62. For the second and final win in Section II basketball the Jayhawks again beat Connellsville by a score of 52-51. Then the tide turned against the inspired Springdale Indians when they traveled here only to bow to our Jays by a 76-55 win. Closing the regular season to make a 2-8 record Uniontown trounced the Jays with a 71-51 score and one of the most exciting games of the season lead Greensburg to triumph with a 71-62 win.

In the County Tournaments at Greensburg High School the Jays came through with a record of 2-1. They easily decided Rostraver Township and Scottdale 61-36 and 61-44 respectively. In challenging Bellmar they were heart breakingly defeated in the final seconds of the game by a mere margin of 50-49.

JUNIOR BASKETBALL

Eager To Display Their Ability

JUNIOR VARSITY BASKETBALL

The 1954-55 Junior Varsity under the capable coaching of Mr. Baughman gave good signs for a future varsity. With a 15-5 record the season had proved a successful one. The Jayvees seemed to have what it takes height, speed and team work. They work as hard as the Varsity but never receive as much attention from student body. With their steady improvement it is certain that the Varsity of the coming years will be one that all can be proud of and looked upon with honor.

JUNIOR W.P.I.A.L. BASKETBALL

Under the coaching of Joseph Robino the team had a fair season. Since he took over the coaching position two section titles have been won. They had a long and tough season this year with an even 7 wins and 7 losses. The little Jays lacked experience and height but they had all the "get up and go" a coach could ask for. These boys made a fine showing with their aggressiveness, and prove an asset to next years Junior Varsity.
